1. Getting Started

Unpacking the contents

The following are included with your system. Inspect these and the other system components while unpacking.

- Quick Start Guide
- Server and documentation
- Server Activation License card(s)
  (for use when starting your server)
- Intelli-M® Access DVD
- Microsoft® Windows 7 Professional DVD
- Example access cards
- Hex security key Allen wrench
- External Power Supply

Choose a proper location

Select a location for the server that meets the following requirements.

Notice: Excessive heat can shorten the life of electronics.

- Adequate ventilation to avoid excessive heat (climate-controlled environment)
- Uninterrupted Power Supply (UPS)
- Moisture-free environment
- A place away from direct sunlight
- An area with minimal dust or debris

2. About the Server

Front labels: HDD Status LED, Power Button, Power Status LED, Headphone/Line Out, 4-in-1 Card Reader, LAN Port, Drive Bay (Not Used), USB 2.0 Ports (4), 16GB USB Flash Drive Installed Here*, USB 2.0 Port, Vertical Stand

Back labels: Kensington Lock, VGA Port, Power Connector (DC IN)

Front   **Back**
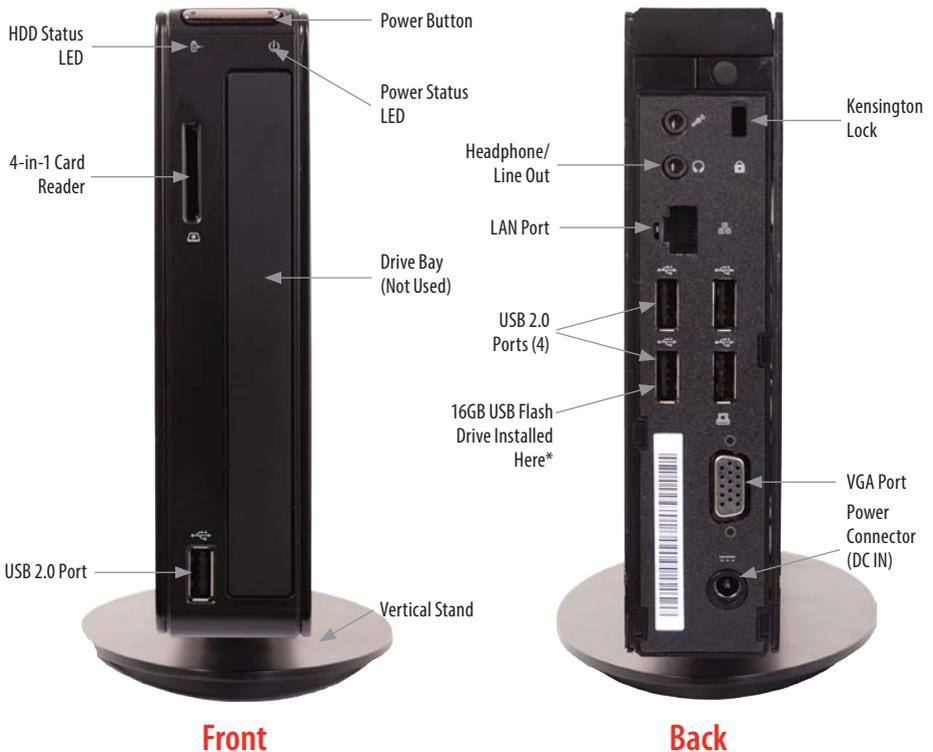

*NOTE: Do not remove the 16GB USB flash drive. Intelli-M Access will backup to this drive. This drive must be set as D:\ .

3. Setting Up Your Server

1. Connect your monitor to the VGA port.

2. Connect your keyboard and mouse. You can use any of the available USB ports.

3. Connect the network cable.

4. Connect the power adapter to the computer, then plug it into a standard 120 VAC outlet.

5. Power on the computer and monitor.

Press

6. Setup the server.

Login to the system using the following credentials. Please change your password to improve the security of your system.

Windows 7 Professional login:
Login username: **infiniasAdmin**
Login password: **1nf!nIas**

GETTING THE MOST OUT OF YOUR SERVER

2 YEAR WARRANTY
The server hardware comes with a 2 year return to infinias warranty. For support, please contact infinias in the USA at 866-496-5783.

CUSTOMER SUPPORT
For all software and operating system questions, contact infinias support at 866-496-578. For questions about installation please contact your dealer/systems integrator.

AUTOMATIC BENEFITS
The S-SVR32-IMS-A server will back up the Intelli-M Access databases nightly to the local drive in D:\. Files in this folder should be copied to another computer or to removable storage on a regular basis.
